Engaging Task Comment Sheet

	Commendations	Recommendations
Does it relate to your curriculum? Is it Standards-based?		
Does it have the 3 pieces? (Scenario, Role, & Task)		
Is it in the form of a "story"? (no procedural steps, or "teacher talk")		
Does it focus on Higher Order Thinking? (Apply, Analyze, Evaluate, Create)		
Will students find it authentic or believable?		
Will students find it interesting or of significance?
